2. Transfer of the home of an individual who is an inpatient in a medical institution or nursing facility.

/x/ A period of ineligibility applies to inpatients in an SNF, ICF or other medical institution as permitted under section 1917(c)(2)(B)(i).

- a. Subject to the exceptions on page 2 of this supplement, an individual is ineligible for a maximum of 30 months after the date on which he disposed of the home. However, if the uncompensated value of the home is less than the average amount payable under this plan for 30 months of care in a nursing facility, the period of ineligibility is a shorter time, bearing a reasonable relationship (based on the average amount payable under this plan as medical assistance for care in a nursing facility) to the uncompensated value of the home as follows:

The uncompensated value is divided by the average private pay rate for nursing facilities in the State of California.
